## Uth4Christ Summer Camp 2014

During this year's Uth4Christ summer camp, our campers were special agents assigned to specific teams and given specific missions to accomplish each day. As they registered on the first day, each was fingerprinted and given their cabin assignments. Some were in "Special Ops", others were assigned to "Divine Detectives", "Angelic Agents", and "Super Sleuths":

Each morning began with their secret mission for the day delivered to each team by the deputy chief Sister Jackie Grant. The teams would go over their assignment and mission during their small group sessions in the morning. Clues were provided each morning and several during the day to help the teams solve the mystery of the day. This time was set aside to discuss the clue and biblical truth related to their clue and the mission at hand.

While working on their missions, the campers participated in their three chosen activities as well as various group activities in the afternoon and evening hours. The activities they had to choose from were media which produces this newsletter, cooking, arts and crafts, performing arts, sports, and nature. Our campers had afternoons and evenings filled with fun group activities such as Friday afternoon's obstacle course with narrow escape tunnel, fiery darts crossing a bridge, running across teetering boards, and jumping through hoops, Monday afternoon's Jesus Scavenger hunt was not a typical hunt. There was an interesting twist: each cabin received an image of Jesus and a list of locations or activities involving Jesus. Each team had to recreate these items on their lists and photograph these items. Campers had movie night on Friday, played board games on Saturday evening, "camped out" on Sunday evening, and displayed their many talents on Monday evening.

**Learn about God, make friends, and have fun. That's what Uth4Christ summer campers do.**

There is always something happening at

## Youth Worship Service

Deon Nance

In the Uth4Christ camp, the Sunday youth service was like no other. We had the campers doing the various parts of the service such as emcee, prayer, scripture, collecting offering, and singing.

First the emcee Deon Nance did the call for service and Malakai Chinn did the opening prayer. Myia Jacobs read the scripture for the service John 6:35. Sheryl Harris read a poem written by Audwin Harris to welcome everyone to service. Our campers sang a song they learned during camp, "Open the Eyes of My Heart". The collection of the offering followed. Next, the campers were invited to give a testimony. Some of the campers which shared during the were Aaliyah Davenport, Rayvin Johnson, and Malakai Chinn. Jacelyn Grant introduced the speaker, her father, Pastor Ivan Grant, Jr.

Pastor Grant, Jr. preached the sermon "While I'm Young" using the scripture Ecclesiastes 12:1. He taught us that you need to learn about God while you are young. Don't wait till you are older to

learn about God. You will regret the time you wasted because the one thing you can't get back is time so learn who God is while you are young.

## ASK AROUND: WHAT'S YOUR FAVORITE ACTIVITY?

Cooking activity was by far the most popular activity this year.

Arts & Crafts and Sports were equal favorites among our campers.

Cooking	46%
Arts & Crafts	20%

### THE GREAT CARNIVAL

BY: MALAKAI CHINN

Saturday when we got there we were so excited because it was different. Some things were the same like Wheel of Blessing, Fishing for Answers, and Photo Booth. New games like Target practice that involved using a nerf gun to try and get the dart in the middle. Another game was Ping-Pong Power when you had to try to get five balls in cups and second contest was to toss five balls in the cup.

### CAMPING OUT

BY: SHAYLA CARTER

When we get there for the camp out, we started to play on the playground. Then the counselors started the fire for the marshmallows. Then we had to put the Graham crackers and the chocolate on the marshmallows when the marshmallow was heated on the stick. Then we played on the playground. We ate the s'mores we made and went back to the cabins.

## THE FUN POOL

BY: SHAYLA CARTER

Saturday the campers went to the pool and got in the water and started to splash. Then we started to float and to swim.

We swam at the pool for over an hour.

There was some trouble with ants on the side of the pool. After the swim, we dried off and ate our lunch by the pool. It was a relaxing time.

## BOWLING FUN

BY: MALAKAI CHINN

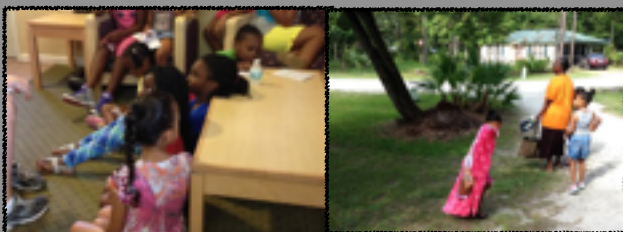

When we went bowling on Sunday Funday we had to wait since there were a lot of us. Then when we got our shoes the fun began. It was fun when we had the bumpers. Next we had cupcakes for Shamar's and Jadyn's birthdays. We bowled some more and left with a happy face.
